

Malibu Mirage Safety Training Foundation Seminar 2016 Hands On Maintenance

Kevin Mead will guide owners thru a maintenance style preflight. This popular "uncowling" session is a seminar favorite. Friday's session will look at the PA46 Piston model to include the Malibu, Mirage, and Matrix. This session will be repeated on Saturday, November 5th at 1:15 pm and will look at the Turbine models including the JetProp and Meridian. Each session includes a Q&A period.

Directions: McGill FBO Hangar

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
